PRESS RELEASE

All India Catholic Union (AICU) strongly condemns the decision of arresting Mr. Sanjeev Bhatt, Senior IPS officer of Gujarat State Government

The peace loving citizens of our country is disturbed very much due to the administrative disabilities of tackling various issues like corruption, communal violence, starvation etc.

The decision of arresting Mr. Sanjeev Bhatt IPS, by the Gujarat Government is adding fuel on fire for the existing situation of our country and creating more disturbances for the peace loving citizens of our country. It seems that this is an attempt of the administration to shut the mouths of people who are come forward to address various issues for the matters concerned for the country and the citizens at large.

AICU appreciates the initiatives taken by Mr. Sanjeev Bhatt, IPS from protecting our country and citizens from future organized as well as unorganized communal violence.

AICU declared and extended their full supports to all those organizations and peace loving citizens of this country for the immediate release of Mr. Sanjeev Bhatt, IPS and revocation of the order of arrests issued by the Gujarat administration.

We feel that this is the direct challenge of an organized Gujarat administration against the constitution of India and rule of law.
