Subject: MCC Violation complaint against the Suresh Chavhanke, allegedly guilty of several hate speeches, for delivering anti-Muslim and divisive hate speech at Janata-NRC event organized in Karad, Satara, Maharashtra on October 22, 2024

Respected Sir,

We, at Citizens for Justice and Peace (CJP), a human rights movement dedicated to advancing the constitutional rights of all Indians, are deeply concerned about the gross violation of the Model Code of Conduct (MCC) in Karad, Satara, Maharashtra due to the Islamophobic and deeply divisive hate speech, marked by anti-Muslim rhetoric delivered by Suresh Chavhanke. Chavhanke's hate speech delivered at the Janata-NRC event blatantly violates the **Model Code of Conduct (MCC)** and the principles of **free and fair elections**. He stated in his speech that Europe would cease to exist in five years due to Muslim takeover and propagated the conspiracy of 'love jihad.' He further falsely stated that India is facing a crisis with 10 crore "infiltrators," threatening Hindu culture and insisting they must be expelled. He also narrated the unfounded claim that rising Muslim populations could soon render Hindus a minority. He controversially praised Myanmar's Wirathu for expelling Rohingyas, highlighting the refusal to vaccinate Rohingyas against COVID-19. These statements were made at the Janata-NRC event organized by the right-wing outfit Sakal Hindu Samaj on October 22, 2024 in Karad, Satara, Maharashtra.

Suresh Chavhanke's statements are deeply concerning and Islamophobic. He links the growing Muslim population in India to various fabricated threats like **"Love Jihad"**, **"Land Jihad"**, and **"terrorism"**, portraying Muslims as the root cause of the country's problems. By suggesting that demographic change is part of a nefarious plot, he stokes fear of Muslims "outbreeding" Hindus and turning India into a Muslim-majority state. His claim that the country may soon face a situation

where Muslims become a minority in several states by 2048 further fuels a divisive, fear-driven narrative.

Chavhanke's provocative and anti-Muslims hate speech, spreading baseless demographic conspiracies, and inciting religious fear are clear attempts to manipulate public opinion. By promoting divisive narratives, such as the "love jihad" conspiracy and falsely claiming India faces a crisis of "infiltrators," Chavhanke seeks to polarize voters along religious lines, jeopardizing the integrity of democratic processes and the spirit of free and fair elections.

We would like to highlight that in response to our earlier complaint against repeated hate offender Kajal Hindustani for her anti-Muslim and communal hate speech delivered in Thane, the Wagle Estate Police Station, Thane on dated October 30, 2024, registered a FIR No. 1088 of 2024 under sections 299, 302, and 353 of the Bharatiya Nyaya Sanhita, 2023. This action demonstrates the State Election Commission's commitment to preventing hate mongers and anti-social elements from influencing the electoral process. In light of this, we now urge immediate and decisive action against another repeated hate offender, Suresh Chavhanke, to ensure a fair and peaceful election. We would also like to humbly state that Mr Chavhanke is allegedly guilty of several and repeated hate speeches, several of whom have in the past two years been delivered in Maharashtra

Extracts from the Speech:

“You don't need guns, tanks, tanks or fighter jets. As many Muslims as possible want women who give birth. We need such a woman and so he encouraged women in his kingdom. Give them dignity. His bodyguards were women only. You must have seen those photos sometime. What Gaddafi said is now becoming true in Europe. Those who are reading, watching, knowing. France lost. After that there will be no Europe. Germany lost. Part of Europe has gone into Egyptian hands, it has become Islamic, now that country will remain Europe for maximum 10-15 more years. After that there will be no Europe. Which bullet had to be fired, which gun, which tank, which fighter jet would be used, nothing.” **(Time Stamp: 00:01 – 01:05)**

“Killed us. There was a bomb blast. So many Hindus died. Our daughter was taken. Did Love Jihad. Waqf Board took possession of the land. There is a long list. what do you do. Cries. You won't let it happen. We should not cry for it but fight.” **(Time Stamp: 01:08 – 01:30)**

“There are 10 crore intruders sitting in India. 1 crore in Maharashtra. 40 lakhs in Mumbai. 3.5 lakhs in your district. Infiltrators, those who came into the country without permission. Illegal citizens. Get this illegal citizen out now. Is it legal to say so or not? Is it morally right or not? Practical or not? Because all this money is a burden on this country from an economic point of view. It is also from a cultural point of view. From a social point of view, India is also burdened by this. Crime is also on very High Scale. And the biggest magic is that they are not a citizen of our country. So, can they stay here? But whoever says to take out those citizens is a patriot. I ask the Muslims of India like this, let's start from Karad, how many Muslims in Karad, I appeal from here to Shahar Kazi, and the Shahar Maulana today, will you support us to evict the Indian infiltrators the city of Karad?” **(Time Stamp: 01:34 - 02.48)**

“Because whoever says to expel the intruders is a patriot, and whoever opposes expelling them is a traitor.” **(Time Stamp: 02:50 – 03:01)**

“What will be the biggest problem of India at this time out of which Love Jihad, Land Jihad, Waqf Board, Terrorism is the cause of all the problems, if there is any reason, then the growing population of Muslims are in India. You say this is going on with democracy, isn't it? Democracy has increased it. “But the population ratio kept changing. Pakistan was given in the name of Islam. It's time to give Pakistan again, many states were given, 9 states, Hindu minority in 2011. Census 2021 has not been done, if it is not done now, there will be minorities in 13 states. In the year 2048, it will become a minority. What is today 2024. After how many years, exactly 24 years. It will be appropriate for everyone sitting here to see 24 years.” (Time Stamp: 03:08 – 04:10)

“The name was Brahmadesh. What is the name now, Myanmar, in the interim what is the name Burma. Who lives in Myanmar, Buddhist, what is he a priest of, non-violence. One of the Hmong living in Myanmar is a saint. Saffron, the priest of non-violence. Virathu says no matter how great you can be. Expelled by priests who worshiped non-violence. How many years ago, 14 years ago, I gave you an example of 500 years, an example of 370 years. And now I am telling you about 14 years ago, a small country, in America who won the Nobel Prize, the same name is Oongsongsui. She said take Noble back but I will not let a single Rohingya stay in this country. Such a small country, so many Muslim countries put pressure on them. The United Nations put pressure. He said that he is boycotting. Will not give diesel, will not give medicine, will not give vaccine. She said no need any vaccine take this virus from here.” (Time Stamp: 04:23 – 05:46)

The video had been uploaded on Telegram by Hindutva Watch on October 25, 2024.

The video of the speech has been downloaded by CJP and is marked and annexed hereto as Annexure-A.

It is important to note that Suresh Chavanke's speech at the Janata-NRC event clearly violates the **Model Code of Conduct (MCC)** by promoting **communal hatred** and **religious polarization**. The MCC mandates that speeches during MCC period must not incite enmity between communities or spread divisive narratives. Chavanke's remarks about Muslims allegedly threatening Hindu culture, based on unfounded demographic conspiracies and the fabricated “love jihad” theory, directly foster religious fear and tension, which is a breach of the MCC's provisions against communal propaganda.

Suresh Chavanke's speech is explicitly anti-Muslim in nature, as it promotes harmful stereotypes and false narratives about the Muslim community. He repeatedly characterizes Muslims as a demographic threat to India, claiming their population growth is part of a deliberate strategy to “take over” the country. Chavanke's assertion that Europe would soon cease to exist due to a Muslim takeover and that Muslims are spreading through demographic means rather than military invasion echoes a widely discredited conspiracy theory, fueling fear and distrust towards Muslims.

His unfounded claim that India is facing a crisis with “10 crore infiltrators” and that rising Muslim populations would soon make Hindus a minority is a deliberate distortion of demographic realities, aimed at **manipulating public sentiment**. This kind of rhetoric, designed to create an “us vs. them” mentality, seeks to **polarise voters along religious lines**, benefiting political parties that thrive on such divisiveness.

Furthermore, his praise for Myanmar's anti-Rohingya actions, including denying vaccines to Rohingya Muslims, is deeply controversial and can incite anti-Muslim hate and discrimination. Such comments not only fuel hatred but also undermine India's secular principles, violating the MCC's directive to uphold **national unity and social harmony** during the election period. Chavanke's speech serves to manipulate public opinion for political advantage through religious polarization, which directly contravenes the ethical standards set by the MCC.

Divisive background of Suresh Chavhanke

Suresh Khanderao Chavhanke, a habitual hate offender, serves as the chairman and chief managing director of Sudarshan TV Channels Ltd. (Sudarshan News). He is the editor-in-chief of Sudarshan News Channel and is infamous for his hate-filled and often anti-minority debate shows, including "*Bindas Bol*," "*Chalte-Chalte*," and "*Jan Sansad*," which are known for promoting divisive rhetoric and inflammatory speeches and reports. Apart from spreading hatred through his news channel, he also attends far right Hindutva events and sometimes even organises them to make inciteful speeches.

On May 19, 2023, CJP was also filed a complaint to Superintendence of Police, Ahmednagar against the Suresh Chavhanke for delivering hate-spewing speech at an event organized by the Rashtriya Sri Ram Sangh (SRS) in Shrirampur (Ahmednagar District), Maharashtra. Chavhanke, at the birth anniversary of Sambhaji Maharaj, fabricated facts and history, and then perpetuated the lie by means shouting anti-Muslim slurs, and referring Aurangzeb for "every broken tile in a temple". This is not the first time Suresh Chavhanke has crossed a line while addressing an aggressive crowd; he has a recurring pattern of delivering hate speeches and promoting divisive propaganda. His remarks often provoke tension and controversy, raising concerns about their impact on social cohesion and communal harmony.

Criminal Cases linked with Suresh Chavhanke

It is crucial to highlight that multiple serious cases have been filed against the Suresh Chavhanke, including allegations of rape, attempted murder, fraud, and anti-minority Islamophobic rhetoric. In 2016, a former employee of Sudarshan News accused him of sexual exploitation, alleging that he raped her and attempted unnatural acts under false promises of marriage. Chavhanke has also been repeatedly accused of inciting communal hatred through inflammatory speeches

In year 2016, a former employee of the Sudarshan News was filed an FIR in the Women's Police Station in Noida alleging that Chavhanke has raped her and attempted to have unnatural sex with her on October 20, 2013. She also accused Narain Sai son of self-proclaimed godman Asaram Bapur for attempting to rape her in September 2013. The victim alleged that Chavhanke had sexually exploited her since 2013 under the promise of marriage and had taken cash and jewellery worth Rs. 27 lakhs from her. The police booked Chavhanke under a total of 11 sections of the IPC, including charges of rape, attempted unnatural offenses, attempted murder, forced miscarriage, criminal intimidation, cheating, and outraging the modesty of a woman.

Arrested in year 2017 for inciting communal hatred

On April 12, 2017, Suresh Chavhanke was arrested by the Uttar Pradesh Police for inciting communal hatred. He was arrested by the Lucknow Police from Amausi Airport on Wednesday.

The head of the Sudarshan channel was charged under Sections 153A(1), 295A, and 505(1)(b) of the Indian Penal Code, as well as Section 16 of the Cable Television Networks (Regulation) Act, 1955.

On May 9, 2023, a complaint (FIR) was registered by the Jilhapeth Police Station against repeat hate offenders Suresh Chavhanke and Prashant Juvekar for delivering hate speech in Jalgaon on Christmas Day, December 25, 2022, at an event organized by the notorious Hindu Janajagruti Samiti (HJS). During this event, Chavhanke made provocative comments about Christmas, stating, *“Christmas of the 2% is being imposed on the 98%,”* and criticized Christians, claiming, *“Christianity has ruined our intellect.”* A nine-minute video of the speech, muted at several points, included stigmatizing remarks about Muslims, using terms like “Land Jihad” and “Love Jihad.” Chavhanke also levelled baseless allegations against madrassas and made unfounded claims about forced religious conversions in Jalgaon.

On June 23, 2023, again an FIR was filed against Suresh Chavhanke for delivering a “communal speech” in Sangamner on June 6, which had resulted in unrest in the region and the arrest of 17 people, as reported by the Indian Express. The FIR, filed at the Sangamner city police station in Ahmednagar based on a complaint by a police officer, stated that at least two people were injured and five vehicles were vandalized in the violence that followed a rally organized by the Sakal Hindu Samaj, where Chavhanke was a key speaker. Alongside Chavhanke, two other speakers associated with the Bajrang Dal were also booked in the FIR.

On July 30, 2023, in Rajasthan, a FIR was also registered against Suresh Chavhanke for allegedly hurting the sentiments of tribals and Meena community (ST) in the earlier dispute over Amargarh Fort between the Meena community and Hindu groups. On July 22, 2022, Hyderabad police booked Chavhanke for allegedly uploading a morphed video of All India Majlis-e-Ittehadul Muslimeen Chief and MP Asaduddin Owaisi on social media. On April 17, 2024, Chavhanke was subsequently booked again by the Cyber Police Station in Hyderabad for allegedly using Owaisi’s photo on social media without proper context.

Importantly, on October 19, 2024, the Delhi High Court summoned Suresh Chavhanke, Managing Director of Sudarshan News, along with six others, in a defamation case brought by Mohd Tufail Khan. Khan, who runs the Jamia Arabia Nizami Welfare Educational Society, accusation of being involved in anti-national activities. Khan alleges that false and defamatory accusations against him were broadcast by Sudarshan TV on April 12, 2023, during a segment titled *“Madrasa ke naam par bachho se bheek manga rabe hai.”* He further informed the court that Suresh Chavhanke, CMD of Sudarshan News, along with another official, Maya Chavhanke, defamed him by organizing a separate TV show aired on their channel, titled *“Logo ko dafanane wali jagah par banaya Dargah.”*

However, we are deeply concerned about the increasingly unsafe atmosphere for the minority, especially Muslim community in Maharashtra, created by the systemic and widespread use of hate speech and inflammatory rhetoric. This hostile environment not only threatens the safety and dignity of individuals but also undermines social cohesion and communal harmony. It is imperative that urgent steps be taken to curtail these harmful actions and hold offenders accountable through prosecution. Such measures are essential to protect the rights of all communities and to foster an atmosphere of respect and tolerance in our diverse society, particularly during this critical electoral period.

Recent Directions of the Supreme Court on preventing/prosecuting hate speakers in Maharashtra.

As you must know, the issue of rampant hate speech being delivered in Maharashtra and the inaction by law enforcement agencies has been highlighted before the Supreme Court multiple times since 2023. We would like to highlight that on February 3, 2023, the Supreme Court issued directions with respect to an event which was scheduled to be held in Mumbai on February 5, 2023 by the Sakal Hindu Samaj, another extremist fringe Hindutva group. The petitioner, Shaheen

Abdullah, had contended that similar to its anti-Muslim speech during 'Hindu Jan Aakrosh Morcha' held in Mumbai on January 29, it can be apprehended that the same will be repeated during the February 5 meeting as well. The apex court had thus sought a video of the entire event to be scrutinised by the court at the next hearing. The court has also taken an undertaking from the government of Maharashtra that if permission for this event is granted “it will be subject to the condition that nobody will make any hate speech and in defiance of law or disturbing the public order.”

The court also outlined directives with respect to taking preventive action in such cases:

“We also direct that the Officer(s), in case, permission is granted and, in case, the occasion arises for invoking the power under Section 151 of Cr.P.C. as aforesaid, it shall be the duty of the Officer(s) concerned to invoke the said power and to act as per the mandate of Section 151 of the Cr.P.C.”

Even in 2024 itself, while on January 17, the Supreme Court bench of Justices Sanjiv Khanna and Dipankar Datta had expressed their anguish at the petitioners being forced to approach the Supreme Court multiple times against individuals and organisations even after there being guidelines for tacking and taking action against hate speeches. During the said hearing, the Supreme Court issued an order directing the District Magistrate and Superintendent of Police at Yavatmal, Maharashtra and Raipur, Chhattisgarh to take ‘appropriate steps’ to ensure that no incitement to violence or hate speech occurs at the rallies scheduled in the said districts in the coming few days of January. The said order was passed following the concerns raised by the petitioners over delivery of potential hate speeches at rallies planned by Hindu Janajagruti Samiti and Bharatiya Janata Party legislator T Raja Singh in the month of January. The court had outlined directives with respect to taking preventive action in such cases:

“We would require the authorities to be conscious that no incitement to violence and hate speech are permissible. The concerned District Magistrates and Superintendent of Police of Yavatmal, Maharashtra and Raipur, Chhattisgarh will take necessary steps, as may be required. If necessary and deemed appropriate, police/ administration will install CCTV Cameras having recording facilities, so as to ensure identification of the perpetrators in the event of any violence/ hate speech.”

Circulars issued by DGP Maharashtra in February 2023 and May 2023 urging strict action on Hate Speech

In Circular No. DGP 20/ Petition No.940/ 2022/54.2023. issued by Dr Suhas Warke (Spl. Inspector General of Police (L&O) for The Director General of Police M.S., Mumbai), dated February 2, 2023, the Supreme Court order dated January 13, 2023 has been highlighted where the court had asked the police to ensure that as and when any speech which attracts offences such as Sections 153A, 153B and 295A and 505 of the IPC take place, suo moto action is taken if no complaint is forthcoming.

The circular had directed all Unit Commanders to follow the Supreme Court order.

The Circular No. DGP/20/Petition No. 940-2022/54/2023 issued by Dr Suhas Warke (Spl. Inspector General of Police (L&O) for The Director General of Police M.S., Mumbai), dated April

3, 2023, entails “measures to be taken to maintain law and order due to agitations, morchas, speeches etc.”

It gives detailed instructions on what steps are to be taken when any morchas are to be held:

2. All the Unit Commanders should hold a meeting with the concerned organizers before such a morcha and fix the route of the morcha with appropriate terms and condition. A combined meeting of all social groups should be taken to convey clearly to all that they should maintain peace and keep law and order during the morcha. Preventive action against Anti-social elements should be taken. Those elements who help in maintaining peace and harmony should be encouraged. Audio Video recording of the morcha should be done. Police Head Quarters should ensure adequate supply of equipment's, like Lathi, Helmets, etc. to police men deployed for morcha bandobast. If any law-and-order situation arises, offences should be registered immediately and arrest should be made. Intelligence machinery should be activated to collect advance information about morcha, agitation and efforts should be made to pre-empt any communal incidents.

Action taken against hate speakers and offenders

Sir, on April 28, 2023 the Supreme Court had held that all States/UTs, including Maharashtra, are enjoined and bound to take suo moto action to register FIR against hate speeches, without waiting for any formal complaint. In its order, the Supreme Court bench comprising Justices KM Joseph and BV Nagarathna had said the following:

"Respondents (states) shall ensure that immediately, as and when any speech or any action takes place which attracts offences such as Section 153A, 153B, 295A and 506 of IPC etc, without any complaint being filed suo moto action be taken to register cases and proceed against the offenders in accordance with law. Respondents will issue directions to the subordinates so that appropriate action can be taken at the earliest. We further make it clear that such action be taken irrespective of the religion of the maker of the speech, so that the secular character of Bharat as envisaged by the Preamble is preserved."

The apex court has, thus, again outlined already codified statutory duties of a police officer which makes it mandatory for them to take action under section 151 of CrPC in case there is apprehension of hate speech. Sir, given the well-orchestrated and numerous instances of hate speech and actual hate crimes being committed, the minority community in various parts of India already feels insecure and threatened. Furthermore, this was spoken at a public event and this speech has reached not only the audience at the event but also all those who may have seen these videos on their mobile phones, by the medium of social media. How large and wide the reach of social media can be, we are sure you must be aware. The consequences of such an inflammatory speech could have been worse.

Besides the Supreme Court we are sure that you are aware that the Bombay High Court is also currently hearing a petition on hate speeches by another repeated offender, Vikram Pawaskar. In the matter, the court has raised questions on the inaction of the police over the FIRs filed against Pawaskar for delivering violent anti-Muslim hate speeches.

Laws Violated by the Hate Speech

Under Bharatiya Nyaya Sanhita, 2023

The inflammatory and divisive speech delivered by Suresh Chavhaanke amounts to insightful, hate speech which is a punishable offence under the various sections of the Bharatiya Nyaya Sanhita (BNS):

Section 196 - Promoting enmity between different groups on grounds of religion, race, place of birth, residence, language, etc., and doing acts prejudicial to maintenance of harmony

Section 197 (1) - Whoever, by words either spoken or written or by signs or by visible representations or through electronic communication or otherwise, —

(a) makes or publishes any imputation that any class of persons cannot, by reason of their being members of any religious, racial, language or regional group or caste or community, bear true faith and allegiance to the Constitution of India as by law established or uphold the sovereignty and integrity of India;

Section 352 - Whoever intentionally insults in any manner, and thereby gives provocation to any person, intending or knowing it to be likely that such provocation will cause him to break the public peace, or to commit any other offence, shall be punished with imprisonment of either description for a term which may extend to two years, or with fine, or with both.

Section 353 - (1) Whoever makes, publishes or circulates any statement, false information, rumour, or report, including through electronic means—

(b) with intent to cause, or which is likely to cause, fear or alarm to the public, or to any section of the public whereby any person may be induced to commit an offence against the State or against the public tranquility; or

(c) With intent to incite, or which is likely to incite, any class or community of persons to commit any offence against any other class or community, shall be punished with imprisonment which may extend to three years, or with fine, or with both.

Violations under the Representation of People Act, 1951

We believe that the content of the speech clearly violates provisions under the Representation of People Act, 1951, particularly Section 123(2) and 123(3):

1. Section 123(2): *Undue influence, that is to say, any direct or indirect interference or attempt to interfere on the part of the candidate or his agent, or of any other person 7 [with the consent of the candidate or his election agent], with the free exercise of any electoral right.*

This section prohibits any efforts to promote enmity or hatred among different groups of citizens based on religion, caste, community, or language for electoral gain. Chavhanke's attempts to portraits LGBTQ+ community, Muslim and Christian citizens and practices of Islam, along with implicit threats of harm if communities are "divided," cultivates fear, particularly among minority groups. Such messaging risks inflaming communal tensions and disrupting social harmony, thereby constituting a clear violation of this provision.

1. Section 123 (3A): *The promotion of, or attempt to promote, feelings of enmity or hatred between different classes of the citizens of India on grounds of religion, race, caste, community, or language, by a candidate or his agent or any other person with the consent of a candidate or his election agent for the furtherance of the prospects of the election of that candidate or for prejudicially affecting the election of any candidate.] 8[(3B) The propagation of the practice or the commission of sati or its glorification by a candidate or his agent or any other person with the consent of the candidate or his election agent for the furtherance of the prospects of the election of that candidate or for prejudicially affecting the election of any candidate.*

This section explicitly bars any candidate or their agents from appealing to religious or communal sentiments to garner votes. The anti-minority and derogatory statements made by Chavhanke, are not only divisive and inflammatory but also an insidious attempt to exploit religious sentiments for electoral benefit.

Violation of the Model Code of Conduct (MCC)

Given that the Model Code of Conduct (MCC) is now in effect, following the announcement of the election schedule, the hate speech also stands in violation of several key guidelines of the MCC. Specifically:

1. **Part I, General Conduct, Clause 1:** This clause clearly stipulates that political parties and candidates must refrain from any activities that may exacerbate existing divisions or foster mutual hatred among communities. The MCC prohibits any speeches that incite communal hatred, promote enmity between communities, or create fear and panic. Chavanke's remarks, such as labeling Muslims as "intruders" and falsely claiming there are 10 crore illegal Muslims in India, are aimed at demonizing a minority community and stoking fear among Hindus about a supposed demographic "invasion."
2. **Part I, General Conduct, Clause 3:** As, there shall be no appeal to caste or communal feelings for securing votes. Mosques, Churches, Temples or other places of worship shall not be used as forum for election propaganda. Suresh Chavanke's speech violates Clause 3, Part I of the MCC by appealing to communal feelings. His anti-Muslim rhetoric, including claims of a Muslim "takeover" and the baseless "love jihad" conspiracy, promotes religious division, and violating the fair election process, free of caste or communal appeals.

The current political climate and potential impact

The atmosphere in Maharashtra ahead of the assembly elections is already highly charged, with political parties striving to consolidate their voter bases. The presence and activity of habitual hate offenders and right-wing groups raise serious concerns about the fairness and freedom of voter participation. Given the history of Suresh Chavanke and his track record of promoting divisive agendas, there is a growing apprehension that fake narratives and communal agendas may undermine the electoral process in the state.

Maharashtra has a rich history of religious diversity, and this sort of messaging risks deepening communal divides at a time when political stability and social harmony are paramount. The possibility that such events and speeches could serve as a rallying cry for certain sections of society while alienating others is an issue that cannot be taken lightly. It is the duty of the Election

Commission to ensure that the electoral process remains free from communal bias and that all voters, regardless of their religious or communal affiliations, can exercise their franchise in a secure and impartial environment.

Given the history of communal polarisation and violence during election periods, we are deeply concerned that ignoring of such communal events could have serious consequences for public order. Such messaging can quickly escalate tensions, potentially leading to violence and unrest, which would be devastating for both the electoral process and the people of Maharashtra.

Our prayer

In light of these grave concerns, we respectfully request the following actions from the Maharashtra State Election Commission:

1. Call for proactive action

We pray for the Commission to implement suo-motu actions against hate-speech offenders and to actively monitor events in line with Hon'ble Supreme Court's directions, ensuring that such incidents do not disrupt the electoral process.

2. Registration of FIR against repeated hate offenders

We urged the immediate registration of an FIR against Suresh Chavhanke, a known habitual offender of hate speech. This action will serve as a deterrent and help prevent further occurrences of such harmful rhetoric.

3. Stringent enforcement of the Model Code of Conduct: We request that the Election Commission ensure the strict enforcement of the MCC, particularly with regard to preventing the use of communal appeals, inflammatory rhetoric, and any activity that may disturb public peace or target religious communities for political gain.

We trust that the Maharashtra State Election Commission will take immediate and decisive action to address this issue, thereby safeguarding the integrity of the electoral process and ensuring that the people of Maharashtra can vote in an environment free from fear and communal discord.

On April 28, 2023, the division bench of Justice KM Joseph and BV Nagarathna in *Ashwini Kumar Upadhyay v. Union of India [W.P. (C) No. 943 of 2021]*, directed all States/UTs to register Suo moto FIR against Hate Speech irrespective of religion. The court added that when any speech or any action takes place which attracts offences such as Section 153A, 153B and 295A and 505 of the IPC etc., suo moto action will be taken to register cases even if no complaint is forthcoming and proceed against the offenders in accordance with law.

This foregoing highlights a clear violation of the Model Code of Conduct and the Representation of the People Act, as it underscores the need for political parties and candidates to avoid actions that may deepen existing divisions or foster animosity between communities. This inflammatory

and divisive rhetoric must be viewed as an attempt to manipulate the electorate based on religion, violating the electoral code and calling for immediate legal and electoral intervention. The authorities must act swiftly to hold Chavhanke accountable and ensure that the election process remains fair and free from hate-driven manipulation. In light of these violations, we urge you to take cognizance of the enclosed video, register a case against the identified perpetrators as well as the organizers, and arrest them for cognizable offenses under the relevant sections. We also request confirmation on whether police officials videotaped the event as mandated by the Supreme Court. Furthermore, we ask to be kept informed of any developments and actions taken in this case, as this transparency will help rebuild faith in the rule of law and strengthen the police-citizen relationship.

Ma'am/Sir, do note that we are sending this complaint, by email and registered post, on which we urge you to register an FIR if one has not been filed yet.

Thanking you,

Yours sincerely,

Nandan Maluste, CJP President

Teesta Setalvad, CJP Secretary
